FROM THE PRESIDENT: Dear Club Members, Thank you so much for a most enjoyable year. Really you have treated me so royally that sometimes I wonder if this is not what it's like to be a Queen. I know there just couldn't be a group of people in the world who could show so much co-operation and consideration as you have shown. The members of the Executive Committee have been especially agreeable and each has done her job admirably. Together we have tried to go one rung higher on the ladder of success. Next year will just have to be a better year than this one.

You have all endeared yourselves to me in a way that I shall never forget. Again thank you and I shall look forward to many more years of pleasant association with you in working for the high and noble cause of Christian Education.

Love to all,

Louise Harrington

COMMUNITY CLUB AWARD NEWS--Our last official turn-in for C.C.A. points was Wed., May 13---BUT if you have any points that you failed to turn in (at anytime) be sure to get them turned in by May 27--they can still be counted on our Grand total. We have won \$120.00 thus far.

ARE WE REMEMBERING "TOYS for the LIVESTOCK SHOW?"---There will be workshops this summer to prepare items for our booth. We will inform you of time and place later.

RUMMAGE SALES made over \$100.00 this Spring. We appreciate the many efforts made by all who had a part in the sales. Every bit counts much.

WOULDN'T IT BE NICE??? If every member paid her dues by June 1st for a whole year. It would just take \$120.00 for some of us, less than that for some, and a little more for a few who have been a little forgetful. According to our treasurer's records you are _____ months behind -- plus _____ will pay you up to June 1, 1971 or you may pay semi-annually..(June 1 & Dec. 1) You could mail your check to Cleffie Reinhardt, or bring it to the May meeting. If you have any question call Cleffie, 666-6007.

" NOBLE DEEDS "
Better than all our prayers,
Better than all our creeds,
Is an honest life and a loving heart
With a record of noble deeds;
For the prayers may be but words,
And only words are creeds,
But a perfect life and saving faith
Will be shown by its noble deeds.

Annual Meeting
April 15th 1971

REPORT GIVEN AT STATE MEETING
SAM PECK HOTEL - APRIL 15, 1971

At the present time we have 95 members in the Little Rock chapter, actually this is a loss over last year, which I am sorry to report. Many have moved out of our area, some, for various reasons have asked to be deleted for the time being, but do plan to become active at a later date. We have deleted a few who had not paid any dues since 1969. We still have only two life members.

We have, ^{in the past} for several years, started our year with "The Membership Tea" ~~this year~~ ^{in September} Mrs Winston Chandler, Sr. opened her lovely home to us, we had a good crowd, good food, good time, and added five new members.

Our money making projects remain the same, namely, The booth at the fair, The Spring Fashion Show, and Rummage sales. The fair booth still continues to be our best money maker, altho only a small percentage of our members are involved in any way. The fair started slow, the crowds were off, and the rains came, and our spirits were dampened. We feared that we would ^{do} no more than expenses, but we had a bit of good luck. A man and his wife from Yellville, who were in the process of opening a gift shop, came by the booth and were interested in buying what we did not sell if we would allow them a discount. So our fair chairman, Mrs Sam Harrington, did some fancy bargaining and we cleared our shelves. After paying expenses and putting ^{aside} our rent for this year ~~aside~~ we had a profit of \$642.91. The spring fashion show was a lovely affair and netted us \$104.76. To date we've only had one rummage sale, but have another one on our calendar for the second saturday in May, We made \$82.55 on the first one, but hope to do better on the next one.

We plan to send Harding \$500.00 in the next few days, as our yearly gift, and have already paid \$741.00 in dues, but feel that by the end of our fiscal year to just about equal what we did last year.

The exective board has been sucessful in carefully planning programs, diversified in nature, so each of our members could enjoy some part of the activities of the year. There are some who will work like turks for a social such as the style show, the tea, salad luncheon, or a christmas party, but ~~want~~ want no part or parcel of sewing stuffed animals or working in the booth at the fair, and visa-versa. So programs are planned with this in mind to involve as many of our members as possible, and to utilize all of our talents. The board meetings are usually held a week before regular meeting each month giving our reporter time to send newsletter, reminding our members as to time and place of forthcoming meeting. our meetings are planned part night and part day, so as to give our working ladies a chance to have a part in activities and also to include our husbands in our work for Harding. One meeting is arranged for the entire family, usually a country picnic, and ~~by the way~~ which is ~~tonight~~, at Boyle Park. ^{tonight}

We've had very good attendance for all of our meetings except one, and this quite understandable, since it co-incided with The training for service series, a co-operative effort of the ~~Little~~ congregations in the Little Rock area. Some of our programs were purely social, some educational, some sobering but all have been interesting and enjoyable, Our speakers highly skilled and

A WORD FROM OUR PRESIDENT--

Dear Members,

It is indeed a privilege to work with such a fine group of Christian women working together for a common cause. I do appreciate the confidence you have shown in me by electing me to serve as your president for the year of 1971-72. I fully realize that without the help of the very capable board you have also elected and the help of each individual member, I could not accomplish the task before me. I do promise with the help of all of you to do my best to make this a most profitable and enjoyable year.

The board met June 24th at 1:00 P.M. at the home of Justine Duke, Program Chairman. At this time she presented the programs tentatively planned for the coming year. These were discussed and the dates and locations of several of the meetings were set. Several members of the 70-71 board were able to be present to help bridge the way for the new board. With this type of cooperation, I am looking forward to a good year.

Sincerely,

From Dr. Mildred Bell, regarding the collection of Betty Crocker coupons:

Early in the spring Mildred Groover brought me a big sack of Betty Crocker coupons to get some things for the Home Economics Dept. After trimming, sorting, and counting for days we had a total of just over 6,000 coupons. This is the way in which they were spent. Two years ago the Jacksonville chapter of AWH wrote to me and asked for suggestions for equipment for the laboratories. We suggested flatware for the kitchens and the AWHers of Jacksonville sent us eleven place settings of Oneida stainless flatware. With the coupons from the Searcy chapter, we have received a 12th place setting and three pieces each of the following serving pieces: sugar spoons, large serving spoons, butter knives, cold meat forks, gravy ladles, serving spoons (pierced), serving spoons, jelly servers. With this addition, three tables for four may be set, with all the serving pieces too.

In addition to the above we were able to obtain a coffee carafe with a candle warmer, an aluminum serving pitcher, thermo-insulated serving dish, and a silver plated covered vegetable dish.

So, you see! The saving of Betty Crocker coupons is worthwhile after all.

We (Dr. Bell, Mrs. Phyllis Blacksten, other teachers in Home Economics and all of the 130 Home Economics majors who will be using them) are grateful. Thanks to all of you members who have been so diligent in saving the coupons from your packages. Keep up the good work.

Remember also that Gold Bond Stamps are valuable to AWH. These may be turned in at any time. Plan to bring some to the next meeting.

Metropolitan Little Rock Chapter

How proudly we report to you the results of the Livestock Show. Our thanks go to so many, but especially to Louise Harrington, our Chairman for this year. The total sales were \$845.00 which included \$239.85 for items sold to the owner of a gift shop at Yellville. We also had donations of \$33.00 making our grand total \$878.00. Our expenses of \$235.09 make our net profit: \$642.91. Congratulations to one and all.

We have asked many times for Gold Bond Stamp books and redemption certificates. We now have an opportunity to make additional points. We are preparing a Pledge of Co-operation List for each member to sign to show you will co-operate with the Gold Bond project. The ways you may help are: donate Gold Bond books, which makes 700 points; or give the pink redemption certificate which you ask for at the Redemption Center when redeeming your stamps. We receive points by simply signing this list.

We are looking forward to our Salad luncheon in November.

April 1971

APRIL 15 IS THE DATE: LITTLE ROCK IS THE PLACE!

The annual meeting of all chapters of AWH was initiated by the Little Rock chapter in 1966, and this chapter will again host this year's general meeting on April 15, 1971. From the April, 1966 Newsletter we quote: "Every member, and especially all officers, will benefit greatly by attending this meeting. A report from each chapter will be heard and at noon a dutch-treat luncheon will be held.

"During the afternoon buzz-session workshops will be conducted for each officer and each committee chairman."

A later report from that year: "The meeting was wonderful with almost 100 members from twelve chapters attending. Many plans were made, many discussions were held, many problems were solved, many new ideas were projected, but most of all, friends enjoyed the fellowship of the day."

This format has been followed each year since that time and has resulted in a day no dedicated AWH member would want to miss. The meetings have all been held on the Harding campus until now. For the first time the annual meeting will be held this year in Little Rock, at the Sam Peck Hotel, beginning at 10:00 a.m. Dr. Ganus will be on hand to speak to the group, and each chapter will be given the opportunity to report on their activities.

This is a wonderful occasion for getting acquainted with AWH members from across the State, for comparing notes, and sharing experiences. The luncheon will be \$3.00 per person, and it has been requested that reservations be made with Mrs. Herbert Reinhardt, 519 Booker, Little Rock, no later than Tuesday, April 13.

MARK THIS DATE ON YOUR CALENDAR AND PLAN TO ATTEND
